Skill development (SD)	

Course Code	IR M 21 C 07
Name of the Course	Foreign Policy of India
Course Tutor	Dr. Lirar Pulikkalakath
Course Type	Core
Course Credits	Four
Description	How do countries formulate their foreign policy and implement it? What are the factors influences in the foreign policy-making of India? Does the change in leadership and government make a difference in the successful foreign policy of India? India's rise to the status as a regional power in South Asia makes understanding the determinants and core of its foreign policy. The foreign policy of a country includes "all of the policies it develops to pursue its national interests as it interacts with other countries". This course examines the major concepts, theories and aspects in the study of the foreign policy of India. It looks at the process of foreign policy-making, domestic, regional and international factors that influence India's foreign policy. The course also discusses the traditions, evolution, and changes in India's international relations.
Course Objectives COs	The course enables the student to: ▪ CO 1- Examine the fundamentals of foreign policy-making in India ▪ CO 2 Encourage the students to critically analyse various issues confronting foreign policy of India. ▪ CO 3- Assess the continuity and changes in India's external relation. ▪ CO 4- Examine the traditional and new issues affecting the foreign policy-making of India.
